Subject: Additional Cost of Wastewater Disposal, Boeing C-6  
Attachment:  
Date: 2/16/00 9:09 AM

Tom,

The cost to dispose of the additional three 55-gallon drums of wastewater generated from sampling Well TMW-17 at the Boeing C-6 Facility will be \$250. This includes coordination with the vendor, pickup (scheduled for today), and disposal at the Crosby & Overton facility in Long Beach. All of the wastewater from the groundwater sampling and well abandonment projects will be disposed at this facility.

Let me know if you need anything further.

Thank you,
